Wiki your way to valuable PDUs

Hello John,

Earn more PDUs to maintain the PMP® credential you worked so hard to achieve by contributing to a wiki or discussion thread.

To take advantage of this opportunity, find a [community of practice](#) which matches your interests and follow these steps:

1. Log-in using your PMI.org username and password
2. Click the community tab
3. Select wikis
4. Click "All pages" to view the complete list of wiki pages
5. Click "Create a new page" or select a topic of interest to add to an existing page
6. Click "Discuss" to discuss the wiki or "Edit" to add content to the wiki page

Additional PDU opportunities can be earned quickly, easily and at no additional cost through your PMI membership.
